I take custody of and responsibility for the items indicated below, for the purposes of humanely trapping and altering or providing veterinary care to cat(s) that are living in an area I am familiar with and who, to the best of my knowledge, are not owned by any person. I have good faith efforts to locate any possible owners of the cats.

I understand that all traps are property of Paws Humane and that each trap has a replacement value of \$90. A cleaning fee of \$5 per trap will be assessed if the traps are returned without being cleaned.

I assume responsibility for returning all borrowed traps to Paws Humane on or before the agreed upon return date. If the property is not returned by the date below, I agree that I will forfeit my deposit. I understand that Paws Humane may recover from me the replacement value of the trap(s) plus any costs of collection and reasonable attorney fees incurred to secure the return or replacement of any trap(s) that are returned.

I recognize that the demand for traps is high, so I will use the trap(s) efficiently and in a timely manner. By initialing below, I agree to:

_____ Plan ahead so the cat spends as little time as possible in the trap before being taken to the veterinary clinic. (Cats should never spend more than 24 hours in a trap without water.)

_____ Keep the cat under observation, with food and water, after veterinary surgery or treatment, per the veterinarian's recommendation to ensure the cat is recovering appropriately before the cat is released.

_____ Never loan the trap to another person or organization.

_____ Return traps and equipment within **14 days** of the loan date, unless another date has been specified below.

_____ Pay the deposit fee set forth below. The deposit will be refunded in its entirety if the trap is returned in undamaged and working condition, clean, and on time.
